The Sound of Dreams

To promote multicultural exchange, enrich Chinese language learning and activities for K-12 students in Canada, and encourage students to express their emotions and ideas in Chinese, the Confucius Institute in Coquitlam hosted the 2025 BC Chinese Speech Contest for K-12 Students from May to July 2025. The theme of the contest was **"Me in Ten Years"** and the contest garnered an enthusiastic response from Chinese learners across the province, with participants actively submitting their entries.

This contest adopted an online submission format. A judging panel comprising experienced Chinese language teachers and researchers rigorously evaluated all entries based on content, pronunciation, grammar, vocabulary, and expressive techniques. Ultimately, 45 outstanding award-winning works were selected across all grade categories, including 10 First Prizes, 16 Second Prizes and 19 Third Prizes. All the submissions fully showcased the achievements of Canadian students in learning Chinese. Participants vividly envisioned their futures in Chinese and painted their dreams with voices. Within these tender or youthful expressions, we heard their dreams, passion, love, and strength.

All contestants will receive participation certificates and the award winners will also receive cash prizes. Details regarding the award presentation will be communicated to participants via email.
