### **3. Will the class I registered for be guaranteed?**

A: Whether you can have that certain class depends on the number of students registering for it. The general principle is that 6 or more registered students will form a class.

Please note: If the number of enrollments is insufficient, the class will be cancelled. A reminder especially for senior level students, please register as soon as possible. This happens every year: parents intend to register on the first day of school, but due to insufficient enrollment, we have already canceled this level's class. It is too late to register on the first day of class. Please register early.
